

50 DOLLAR FIRST PRIZE TO WINNING STUDENT ESSAYIST

Racial and Religious Tolerance Topic Is Chosen By Donor

PRIZES TOTAL \$100

Four prizes amounting to \$100 will be awarded to the students who turn in the best essays on the topic, "Racial and Religious Tolerance," before May 1 to Dean Holt's office.

The first prize will be \$50, second prize \$25, third prize \$15, and the last prize \$10.

The manuscripts submitted must be original essays, under 3,500 words, typed on one side of paper 8½ by 11 inches, and double-spaced.

Accuracy Important

The judges will be chosen by the administration from sources outside the campus. Entries will be judged on the basis of originality, coherence, orderly arrangement of material, accuracy, factual basis for conclusions, and general appeal to the public.

The University may print any of the essays submitted. It is important that ALL entries be enclosed in an envelope and the name of the author must be written on a separate piece of paper and enclosed with the essay.

The donor of these awards is a civic minded friend of the Municipal University of Omaha, who wishes to remain anonymous, stated Dr. Holt.

Green Shirts Win Another Football Game

With Melvin Boldenow, transformed end, plunging over for a touchdown, the Green Shirts again dominated the field over a Red team in a scrimmage which wound up the third week of spring practice last Friday. Boldenow also plunged for the extra point, making the score 7-0.

The game was ragged and also somewhat marred by several injuries. Steve Harper suffered a badly cut lip. Boldenow received a strained muscle in his chest and Sam Reiman, an end prospect, was "out" for several minutes. However, all the men except Harper will be in shape and ready for the final scrimmage which will be held this afternoon.

Next Monday Coach Hartman will issue a call for all trackmen who are now out for football, leaving about fifteen men left who will continue with football fundamentals under the direction of Assistant Coach Johnny Baker. Coach Hartman will direct track activities.

PAN-HEL VOTES ON PINS

The Pan-Hellenic Council is in favor of adopting a pin which will be worn by members of the organization, a vote taken at Thursday's meeting showed.

Kenneth Hargrove, '36, president of the council, announced that the Pan-Hel dance would be held May 1 at the Chermot ballroom.

Alpha Sig Formal Dinner-Dance To Be Held In April

A night club atmosphere will be in evidence at the annual Alpha Sigma Lambda formal dinner-dance to be held at the Fontenelle Hotel, Friday, April 3. Eighty members and guests will be entertained at the dinner. At nine o'clock outsiders having bids will be admitted to the dance.

Tables of two or three couples each will be provided in the ballroom and on the mezzanine floor, and party reservations may be made through Dexter Nygaard or Robert Hadfield. Fountain service will be available at the tables.

Faculty guests will include President and Mrs. Rowland Haynes, Dr. and Mrs. Edgar A. Holt, Dean and Mrs. Lloyd Bradfield and Mr. and Mrs. C. W. Helmstadter. Mr. Helmstadter is sponsor of the fraternity.

The committee in charge consists of Dexter Nygaard, Edward Carlson, Robert Hadfield and Jim Moise. Bobby Bowman and his orchestra will furnish the music. Seventy-five bids have been issued.

"G" Men Stop Student Hoax

Syracuse, N. Y.—(ACP)—Personal, if slightly informal, relations were enjoyed by twenty-five Syracuse University students last week when the finger of the law identified them as the pranksters who had sent a fake bomb to Chancellor Charles W. Flint. They were charged with disorderly conduct, and the postoffice department wired a note of cheer from Washington, saying that Federal action might be taken.

The tale begins with a group of architectural students sitting around trying to think of something to do instead of studying architecture. Some bright lad thought of the bomb plot, and an infernal machine was immediately constructed from taped wires, cotton, dead dry cell batteries, cardboard tubes filled with sugar and an old alarm clock. Addressed to "Comrade Chancellor Charles W. Flint," it was entrusted to the U. S. mails, wherein lay its undoing.

An alert postoffice clerk, noting the horrendous "Comrade" salutation, and the ticking of the alarm clock, rushed the package to a pail of water. Postal inspectors opened it in due time, and were at first convinced it was genuine. The sugar-soaked cotton had the same appearance as gun-cotton, they said.

The university did not concern itself with the sad plight of the twenty-five pranksters when G-men had rounded them up and hustled them into cells at the city jail. "The matter is in the hands of the authorities," said Vice Chancellor William P. Graham.

PLAN ANNUAL PICTURE

A freshman meeting was held Monday to decide to make plans for a picture in the annual. Although only twenty freshmen attended, it was decided by those present to determine the sentiment of the rest of the class regarding the plan.

Ellen Hartman, annual editor, announced that if all the freshmen support the plan the pictures will consist of six groups, forty in a group, and they will cost twenty cents per person.

DR. D. T. QUIGLEY TALKS ON RADIUM TONIGHT AT 8 P. M.

Will Speak of Physics, Radium Chemistry Uses Lantern Slides

IN JOSLYN HALL

An opportunity to see radium will be given University students when Dr. D. T. Quigley speaks tonight at 8 o'clock in the Joslyn Hall auditorium in a program sponsored by the Pre-medical club.

Dr. Quigley, an instructor in surgery at Nebraska University Medical College, will speak on the physics and chemistry of radium and its clinical application.

Radium has been used to compute the age of the earth, said Dr. Quigley Thursday.

The medical uses of radium will be illustrated by several lantern slides, which he will explain.

Two instruments which Dr. Quigley will pass among the audience will be a spintharoscope and a 100 milligram radium tube.

A speck of radium under a magnifying glass, in a machine called a spintharoscope, will show how radium gives off radioactive particles. Dr. Quigley will turn out the lights when the radium tube is passed around in order that the emanations may be seen.

The physical properties of the radiation given off by radium, and the effect of these radiations on various inanimate substances, and living cells, will also be described.

Dr. Quigley spoke last Friday to the Pre-medical club on the same subject and the club was able to secure him for this meeting of the entire student body.

Lions Club Hears President Haynes

President Rowland Haynes represented the University before the Lions Club on their University Day, Tuesday noon, March 24, at the Paxton Hotel.

President Haynes spoke on "Changes in College Education."

Those on the same program were: Mr. C. W. Helmstadter, Registrar; Miss Evelyn Clough, pantomimist, and Miss Beth Campbell, violinist, accompanied by Miss Lillian Anderson.

"Tomahawk" Wins Name Contest

The nomenclature Tomahawk, submitted by two University students in the yearbook naming contest was chosen Wednesday as the winning name and the \$5.00 prize will be divided between the two.

Lewis Leigh and Lyle Hunziker called attention, in their choice of names, that Tomahawk was quite appropriate, in as much as it was the only word in the English language that contained Omaha in it.

A committee comprising Dr. Benjamin Boyce, English department head; Faye Lane, chairman; Kenneth Turner, Student Council president; Kenneth Hargrove, Pan-Hel president, and John Moucka, Senior Class president, selected the name.

Extension Offers Series of Three Weekly Courses

Three new courses in Home Landscaping, Air Conditioning and Miniature Photography are being offered weekly by the University extension department.

The course in Miniature Photography, consisting of eight lectures, began last Tuesday evening, with Evan Morris as instructor. This advanced class will deal primarily with the practical problems of the miniature camera.

The Home Landscaping course began last Wednesday evening under the instruction of Maurice N. Marshall, landscape engineer, with the discussion of problems dealing with increasing the value and beauty of home.

Next Thursday Evan Morris will present the first of a series of seven lectures on Practical Air Conditioning for the Home including an analysis of the various problems which the home owner will meet in the selection and installation of conditioning equipment.

Will Strike For Peace April 22

New York—(CP)—Students in high schools and colleges throughout the country will be called from their class rooms on April 22 to participate in the third annual student strike against war, it has been announced by Joseph P. Lash, executive secretary of the American Student Union.

Citing the recent passage of the largest peace-time military budget in American history, including extensive appropriations for the ROTC, Lash predicted that at least 350,000 students would answer the strike call at 11 a. m. on that day.

The date of the walkout has been set for later than in previous years because of Easter vacations, which would conflict in many areas with an earlier strike, Lash said.

"Passage of the unprecedented military budget has started a flood of inquiries to us from student groups and individuals who want to register their disapproval of the war program by joining in the strike," Lash said.

"The strike offers the educational system an opportunity to take an unequivocal stand for peace. In the light of the onrush of jingo propaganda in Washington, that stand is still more imperative than ever before. We hope that students will not be forced to face reprisals and violence which have greeted their declarations for peace in the past."

Disbrow Sings To Humanities Class

Mr. Harry Disbrow, former Omaha University student, sang for the Humanities class last Wednesday. He was accompanied by Mr. Martin Bush at the piano.

Mr. Disbrow sang for his first selection "Danny Boy," an Irish folk song. His next two numbers were "The Wanderer" and "The Erl King" by Schubert. In conclusion, he sang "The Concertina Player" by Mason.

Mr. Disbrow is one of the outstanding singers of Omaha. The numbers were to illustrate the unity of the Irish folk song and the secular music of a later period.

KAPPA PSI DELTA TO DEBATE ALPHA SIGS FOR TROPHY

Thetas, Alpha Gammas Eliminated In The Debate Semi-Finals TOURNEY ENDS

Kappa Psi Delta and Alpha Sigma Lambda will meet in debate this afternoon to determine the winner of the intramural debate tournament trophy now on display in Joslyn Hall.

The Kappa team, Mable Knipp-rath and Marjorie Williams, decisively defeated the Alpha Gamma Chi team, Evelyn Dansky and Esther Steinberg, by a 3-0 decision Wednesday afternoon. The judges for the debate were Mr. Carl Helmstadter, Dr. Lyman Harris and Anne Goodbinder.

The Alpha Sigma Lambda team, consisting of Bob Hadfield and Keith Maxwell, barely nosed out the Theta Phi Delta duo, Louis Ruthben Leigh and Irving Vaughan by a 2-1 decision. The judges for this debate were Mr. Hosman, Dr. Boyce and Bernice Perlmeier, a member of the school debate squad. Professor Heckman was ill and unable to be present at the semi-finals.

The winner of the intramural debate tournament will receive a beautiful bronze trophy furnished by the debate club.

Both the victors in Wednesday's contest argued the negative side of the question "Resolved: That Sororities and Fraternities Should Not be Permitted on the (Continued on Page 4)"

Football Program Nearly Completed; 7 Games Planned

Sed Hartman is still busy these days trying to complete the 1936 football schedule. So far Sed has but six games scheduled and is still waiting word from a certain University in the state of Texas.

The Homecoming game will probably be played with South Dakota U. about the middle of October.

A special student train trip will probably be arranged to the Morningside game, a trip similar to that taken by 50 students to the Vermillion game last year.

The games scheduled thus far are South Dakota U., South Dakota State, North Dakota State, Iowa State Teachers, Morningside and Wayne.

Macy Baum Places In Duluth Debate

Macy Baum, '38, returned Tuesday from the finals of the A. Z. A. debate and pratorical tournament held in Duluth, Minn., where he placed third in the oratory contest and second in the debate tournament. His teammate was Ernest Priesman of Creighton University.

The debaters lost the finals by a 2-1 decision to the Duluth team. Baum and Priesman won the local A. Z. A. tournament held the first week in February, and Baum captured the oratory title, to entitle them to the Duluth trip.

ENGLISH COMPOSITION TESTS

Many people feel that the average student on graduating is extremely careless in his use of the English language. President Conant of Harvard University told the board of overseers in his annual 1934-5 report.

He suggested giving an optional examination in English composition to students at the end of their Junior year.

"Many young men do not realize how badly they write," stated President Conant. "Certainly those who are interested in employing college graduates would be very glad to have some knowledge of each candidate's ability to put his thoughts on paper."

President Conant believes that such a test might stimulate the ambitious, but careless student, to improve his style of writing.

Why couldn't the English department of the Municipal University give this type of a test during the final year to those students desirous of taking it?

Naturally it would be optional, but for those graduating seniors who plan on entering definite writing fields, such as journalism or advertising, an excellent grade in such an examination would be as important to them as the University diploma.

Also, the teaching and business professions require their members to have a good knowledge of English composition. Therefore, it would be wise for all students to take such an exam.

THE VIEWPOINT CHANGES

The question of who is to have the final word in problems pertaining to the student body and the student government is a problem which is not limited to the University of Omaha.

Commenting upon his election, Mon Orloff, student prexy at Washington State Normal School, stated; "It is debatable in my mind whether I have been elected to represent the student body or whether, since this office demands a strong focal point of thought, I am to think in my own way. Once one assumes the duties of a student body president, one finds the viewpoint changes."

Evidently Mr. Orloff is somewhat perplexed by the same problem that bothered our own Student Council after its election last fall. We have a feeling that he might be able to settle the question much more tactfully and satisfactorily than our Student Council.

He has said that if the head of the student government finds it necessary to follow his own course it is because the office "demands a strong focal point of thought," and not because the student body is too stupid to think for itself.

Squirters Squernacular

By HAROLD CLARK

Almost every branch of industry has its own particular slang phrases, used in connection with the work carried on by that group of workers. Railroaders, steel workers, fliers, newspaper workers and even hoboes have a set of expressions, words, and phrases that are unintelligible to the layman, leaving him as much in the dark as if he had been listening to a lecture in ancient Egyptian. (It may seem strange that I mention the newspaper game in the same breath, as it were, with hoboes, but—you'd be surprised.)

Now, after getting this brilliant introduction off my chest, I can get down to my real reason for writing this article. Yes, I have a reason. In fact, I feel it is my duty to write it—a duty which I owe to the student body of Municipal University (all those to whom I owe more than duty will be taken care of in time).

I have conducted a private survey in my spare time, and present my findings herewith, to-wit, or without wit: Out of every 100 male students graduating from college, 99 will become soda jerkers and fountain boys, so here goes for a lesson in Fountain Vernacular. Pay attention, as your future may depend upon how well you learn that which is to follow.

1. Girls, if you walk into the drug store and the good-looking guy behind the fountain yells out "PINEAPPLE," you may feel flattered, as that means, in good English, that he thinks you are a wow, a honey and a cute little trick. But, if he hollers "EIGHTY-SIX," he doesn't like your type.
2. A salmon salad is known as a "BROTHER."
3. An order for tuna fish is known as a "DEEP SEA."
4. Hot chocolate—"STEAM ONE."
5. A chocolate malted milk—"A BURN."
6. Two chocolate malted milks to go out means "BURN A PAIR CATCHIN' AIR IN A BUCKET."
7. Bowl of chili—"BOWL OF RED."
8. Coca Cola—"STAB ONE."
9. Lemon coke—"SHOT IRISH."
10. Devil egg sandwich—"LARGE DEVIL."
11. Peanut butter sandwich—"A ROCKY."
12. Coke without any ice—"STAB ONE GOING SOUTH."

Thru The Keyhole

"Stub" Riggins takes the cake when it comes to bragging....If you don't believe us, just ask anyone that is out for Spring Football....He has even made love to a chicken....Lil Andersen, for some unknown reason, didn't enjoy the bubble dancer at Peony so much last Saturday....Possibly it was because Hoeffner seemed to be enjoying it entirely too much....Speaking of dates, who is this T. Collins that Evelyn Clough has been dating so much lately?...She seemed to be all wrapped up in him the other night....Don Peterson has finally discovered a new way to pass some of his courses....Just ask him.

With the Theta informal initiation coming up tomorrow evening, a good time is to be had by all....Several of the lads seem to have forgotten they haven't been initiated yet....They'll know Sunday morning, or I'll miss my guess.

Jerry Gross was seen at Maxine Mill's house the other day, and Jerry's supposed to be going steady, too....Tsk! Tsk!

Ed Kersenbrock had a lovely time telling all the girls in the circus goodbye last week....He couldn't even promote a date, though....Too bad, Ed—better luck next time....Have you heard about "Tiny" Ryan and Don Belau going to Minnesota during Spring Vacation?...Ryan has been trying his hardest to save money for the trip, but Belau spends it faster than "Tiny" gets it....Sorry, Phillips....Marge Corrington already has her date for the Pan-Hel.

Jealousy arises even among the fair sex....Ellenor Johnson is still beefing about Minette Meyers taking Bob Lehmer home from her house the other night....Leo Pearey is still looking for a rich widow with a bad cough....Anyone knowing the whereabouts of one, kindly forward the information to The Gateway office, where Pearey will get what the editors refuse....A big time for everyone is already being planned for the approaching "O" Club dance, which is to be held at Peony....Cliff Anderson guarantees he will be in high spirits....Neither Mashek nor Frink were seen about school the first of the week....We feel that an explanation of some sort is necessary....Nygaard's idea for the Pan-Hel didn't meet with approval by the rest of the Student Council....Maybe it's just as well, though, Dex, for the gals couldn't have been found anyway....Scoop! Morrie Loder was born on April Fool's day....He'll never forget the surprise birthday party Hesler threw for him.

That's all the dirt for this time, folks....More in the Bookstore from Fore and Ednell.

It's In The Cards

By LEO PEAREY

Baron Ed Von Kersenbrock deserves a medal for his recent dirty work. He waited until Nygaard got his leg broken during spring practice and then stole his girl. By the way, this Nygaard guy is a pretty fair boxer, Eddy.

They tell me that Cliff Anderson couldn't make the owners of the Lighthouse Tavern believe his "date" last Friday evening was old enough to evade the "not sold to minors" law.

Stubb Riggins is in love! He has even stopped wearing sweat-shirts and cords to classes. He calls the girl "Checker" Pederson, because whenever he moves she jumps. Gail Leber, his buddy, says that it must be "straight goods," because Stubb even combs his hair and brushes his teeth. I wonder if it's really that bad after hearing him give a description of the one he calls Betty Bell.

Jerry Gardner pulled a good one the other evening. He rushed up and asked a group of his pals if they had seen a list of people in the paper who weren't going to listen to Major Bowes any more. Of course, everyone was interested and wanted to know all about it. Gardner then proceeded to show them the obituary column in the Council Bluffs Nonpareil.

You should have heard Anne Raymond and Ednell Benson arguing because Anne said Normie Sorensen was cute and Ednell said he was funny. Finally after four candy bars and a bottle of lemon pop, they both agreed that Maie Day will be the best ever this year.

Wonder who the "O" Club sweetheart will be? She will be chosen by popular vote, according to ticket, at the forthcoming dance, to be held at Peony Park April 17. Wonder who Morrie Loder will advance?

A very self-satisfied man arrived at the gates of heaven and asked for admission.

"Where are you from?" asked St. Peter.

"California."

"Well, you can come in, but you won't like it."

"I heard something nice about you today."

"Yes?"

"Yes, a friend of ours said you resembled me."

Who Is It?

Well known by all University students, he's the real bulwark of the school. Honest, affable, enterprising.

Former Students Speak To Club

The present transient program in Nebraska will be discussed at the Liberal Club meeting this evening by Virginia Clary, '33, former case work supervisor at the Omaha transient shelter. The meeting will be held in the women's faculty building.

Franklin Doty, '33, also in the relief work in Omaha, will be the second speaker. Doty graduated from the University with one of the highest scholastic records ever achieved here.

All interested male students are invited.

Encouragement To Flat Chested Given

Minneapolis, Minn. — (ACP) — If your chest is flat, you are probably more intelligent than that fellow over there whose bulging, barrel chest interferes with his view of his feet.

At least so says Dr. S. A. Weisman of the University of Minnesota, who has spent a lot of time peering and probing into the matter. He concludes that flat-chested persons not only average greater intelligence than the full-chested, but are taller and heavier.

And that isn't all, either. The deep-chested individuals have a better chance of contracting tuberculosis.

SPRING FOOTBALL OVER; BEGIN TRACK

Expect Veterans To Respond To Call For Weight, Field Events

By GEORGE THREADGILL

With the official spring football practice ending today, Coach Hartman will call his track candidates together to build up a team.

Omaha should collect a good number of points in the spring meets with such veterans as Pearey, Tyler, Sorensen, Anderson, Olson and Slump answering Hartman's call.

Leo Pearey, the N. C. javlin king, and Howard Sorensen, the discus ace, are both N. I. A. A. conference champs and should do well in the N. C. conference. Norman Sorensen will no doubt provide plenty of competition for his brother, for he is also a good discus thrower.

For shot putters, Hartman has Harold Johnk and Jerry Gardner, who spend much of the summer pitching hay.

The 16 pound weights should be nothing for them. Lorren Gammon plans on trying his skill in the same event.

At present the Cards are lacking a pole vaulter, but Ed Kersenbrock is a high stepper and should do well in the high jump. The broad jumping will be done by Cliff Anderson and Royce Brown, both former prep stars in the event.

On the cinders Cliff Anderson is again expected to shine. His specialties are the 100 and 220 yard dashes. In the same events Morrie Loder, Bob Novak, John Donlon, Earl Strohbehn and Robert Flesher are hopeful amateurs.

Leroy Olson, a middle distance specialist, boosts the University stock in the 440 and 880 grind. Olson has been working out all winter and is in fine shape. Dale Wolfe, a sophomore, is a newcomer and will team with Olson. The mile and two mile runs will be taken care of by Ken Slump, the only contender for the endurance tests.

Tippy Tyler, the N. C. and N. I. A. A. champion will take care of the high hurdles and will be assisted by Harold Johnk. In the low hurdles, Melvin Boldenow and Royce Brown are the chief contenders.

This group will make Omaha's

Paper Sponsors Circus

The Silver and Gold, University of Colorado paper, is sponsoring the sixth annual rhythm circus. The dialogue of the play, which presents new innovations and improvements in music built around a love plot, was written by the paper's columnist. This is the first year the circus has been given official recognition due to the success of former years.

Movie Precedes Debate

The Hawaiian debate team is touring the United States, debating—at some of the outstanding universities of the country. Preceding the debates Professor Beck, sponsor of the team, gives a 30-minute moving picture show and lecture on "The Beauties of Hawaii."

Communist

On March 5th the Communist party broadcast over a coast-to-coast Columbia hookup for the first time in America. Surely this is not what William Randolph Hearst means by "freedom of speech."

Did You Know?

The following facts were reported in the Dakota Student after a search through some examination papers: Milo Reno was a famous divorce lawyer. Hearst edited the Fawcett publications. Charley Curtis is head of Curtis Candy Company, of the Curtis publications, and of Curtis Aircraft Corporation. Martini is the son-in-law of Mussolini. Hugo von Eckener is "The Sea Devil." Toscanini is one of Major Bowes' amateurs.

track team, but the form sheet is only tentative. We will have better knowledge of our prospects after a few weeks of practice and time trials.

Adopt New Course In Social Service

A pre-professional course in social work has been approved by the University administration, and will be given under the supervision of the department of sociology.

This will be in line with other urban and municipal universities that are set up on the idea of intensive social service.

This will give sociology students experience which will prepare them for social work as a profession.

Letter Men Hold Dance At Peony

The O-Club of the University will hold a dance, Friday, April 17, at Peony Park. Howard Sorensen, who is president of the club, is in charge of all arrangements for the dance.

A contest is to be held, in which an O-Club sweetheart will be elected from the candidates presented by the sororities and the Barbs. Each holder of a ticket is entitled to one vote for his favorite candidate.

Jack Swanson and his orchestra will play and each admission will be forty cents.

Jay Gibbs, Omaha University student in '21 and '22, is a candidate for Municipal Judge on the non-political ballot. He has been a practicing attorney in Omaha since 1923.

Debate Tourney Finished Today

(Continued from Page 1)

Campus of the Municipal University of Omaha Unless They Have Permanent Quarters."

Much interest has been aroused by the tournament among the Greeks. The Barb team failed to materialize and defaulted to the Kappa team, putting them in the semi-finals and giving them the opportunity to compete in the finals. All debating has been carried on in Room 3, and a large crowd is expected to attend the finals this afternoon at 4 p. m.

Leap Year

Hiram College, Ohio, celebrated leap year by ordering all men in at 12 o'clock every night, giving co-eds complete freedom.

Criminal?

A student, for some unknown reason, broke into the University of Colorado greenhouse, opened all the windows, turned off the steam pipes, and caused the plants to die from exposure to the sub-zero weather. The loss on the plants killed and for repairs on water pipes amounted to \$300; but the real loss is the plant experiments being carried on will have to be repeated next spring.

Annual Basketball Banquet Is Held

The annual basketball banquet was held Monday, March 23, at the Studio Inn. A steak dinner was served. The toastmaster was Dolly Obradovitch, who portrayed the part of the Commander.

The program included a very clever talk by Helen Mickna, speaking for the Freshmen, a poem about the Senior's troubles in basketball given by Dorothy Anderson, three songs sung by Bess Greer, and a short play "The Prison," presented by the Play Production class.

The guest speaker was Miss Pauline Spencer of Technical high school. Guests of honor were Dean Rene Stevens and Miss Ruth Diamond.

"Frank has gotten himself married, at last."

"What got into him?"

"Buckshot."

WANT ORDER TAKERS FOR YEAR BOOK

Anyone interested in taking orders for the "Tomahawk," Omaha University yearbook, should consult with Mr. Louis Ruthben Leigh in The Gateway office this afternoon between 12 and 2 p. m. Any person selling ten "Tomahawks" will receive one free. The annuals will sell for two dollars and Mr. Leigh will issue receipt books to interested responsible parties.

SHUFFLE BOARD TOURNEY

Shuffle Board Doubles Tournament starts Monday, March 30, in the gym. The tournament will be held at noons throughout the week. Mary Ann Harrington is in charge of the tournament. Those interested should sign up in Miss Diamond's office.

Golf, Tennis Teams Issue Initial Call

The first call of the Cardinal golf and tennis teams will be issued a short time after spring vacation. Coach Hartman will hold tournaments in both of these sports and teams will be chosen from the best performers.

In tennis the University will have one letter man returning, Joe Barker, a Junior and former Central high star and city champion. During his vacation last summer Joe won an open tournament in Quebec, Canada, receiving a trophy for his achievement.

Others expected to make a bid for the team are Macy Baum and Prentice Wendland, both ex Tech high players, John Pearson, Fran Nelson, and George Knipprath.
